CHILLS and FEVER The proprietor of this celebrated medicine tly claims for it superiority over all ies ever offered o the public for the er of short or long standing. He refers to th entire Western and South-western country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, If the directions are strictly followed and carried out. In a great many cases a agle dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more fter the disease has been checked, more cans. cially in difficult and long standing ses. Usually, this medicine will not require by aid to keep the bowels in good order uld the patient, however, require a artic medicine, after having taken three does of the Tonic, a single dose BULL'S VEGETABLE FAMILY PILLS will be sufficient.

HURLEY'S SARSAPARILLA. OF all the remedies that have been discovered during the present age for the "thousand ills that flesh is heir to," none equal this wonderful preparation Only ten years have elapsed since the discoverer (who spent a decade in studying experiments, and perfecting it,) first introduced it to the public, and it is already recognized by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain dis-

eases of which they have knowledge. All other compounds or syrups of this root have hitherto failed to command the sanction of the faculty, because on being tested, they have been found to contain noxious ingredients, which neutralize the good offects of the Sarsaparilla, and oftentimes injure the health of the patient. It is not so with Hurley's preparation.

This is the pure and genuine extract of the root, and will, on trial, be found to effect a certain and perfect cure of the following con Affections of the Bones, Habitual Costiveness, Debility, Diseases of the Kidneys, Dyspepsia, Erysepilas, Fe-male Irregularities, Fistula, all

HURLEY'S AGUE TONIC. PERFECTLY RELIABLE,

The only remedy for chills and fever or ague and fever that is or can be depended upon is Hurley's Ague Tonic. There have been thousands cured by using it who had tried the usual remedies without benefit; but in no caee has HURLEY'S AGUETONIC FAILED TO EFFECT A CURE. All who have used it cheerfully tell their afflicted friends of it, as a sure and certain cure for chills and fever. Any one suffering from the chills would consult their own interest by sending to a drug store and buying a bottle. It is pleasant to take, compared with others, and will be certain to cure all cases of fever and ague or chills and fever. Send for it to the JAS. RUDDLE & CO., Louisville, Ky.
